How does it work? It's just like checking out a book!

1. Use the library catalog or call the library to request the Storytime Box you want and have it sent to the library branch closest to you.
2. Pick it up at that location, and check it out for 3 weeks!
3. The Storytime Box can be returned at any library branch, but **cannot** be placed in the book drop.

Call the Children's Department at 849-8813 for more details!
